# General Description:

Soundco 150cm cable is an all-copper functional interface for connecting other audio equipment to each other. The use of 100% copper cable with the highest density of shield and soldering in industrial conditions has given special value to the durability and strength and of course the maximum conductivity of this product.

# Technical Features:

Cable length: 1.5 meters
Connector type: Male XLR, TS
Cable type: 4040
Cable material: all copper
Cable specifications: 64+28+28
Cable thickness: 4 mm
Cable color: Black
Cable application:
Connecting the monitoring speaker to the sound card, connecting the recorder to the mixer, connecting the mixer to the power
