

TW-365 Ceiling Speaker With Amplifier

General Description:

TW-365 ceiling speaker (4-piece set) with amplifier includes four ceiling speakers and a touch wall amplifier with a power of 100 watts in four separate channels. The use of the crossover board in the design of the ceiling speaker and the harmony created in the impedance and frequency range with the amplifier has doubled the quality of this powerful and good-sounding product.

Technical Features:

Speaker type: Two-way
 Tweeter size: 25 mm, Woofer size: 6 inches
 Speaker Impedance: 8 ohms
