

## TW-365 P Ceiling Speaker

### General Description:

Soundco TW-365 P Ceiling Speaker is a two-way or two-magnet speaker with a 1.5-inch tweeter and a 6-inch woofer with polypropylene material, with very good sound separation due to the presence of a crossover board to filter a wide range of sounds. With high frequency and low frequency sounds, it is a good-sounding ceiling speaker from Soundco.
