

## 150 CM TS to TS Cable

### General Description:

Soundco 150 CM TS to TS Cable is an all-copper functional interface for connecting other audio equipment to each other. The use of 100% copper cable with the highest density of shield and soldering in industrial conditions has given special value to the durability and strength and of course the maximum conductivity of this product.

### Technical Features:

Cable length: 1.5 m

Connector type: TS

Cable type: 4040

Cable specifications: 26+64

Cable thickness: 4 mm

Cable color: Black

Cable application: Connecting the monitoring speaker to the sound card, connecting the player to the mixer, connecting the keyboard to the mixer

Additional product description: RoHS, CE, CTI certified
